

Clean Up Opp and Covington County Campaign 2020

The Opp and Covington County Area Chamber of Commerce is sponsoring a Clean Up Opp and Covington County campaign throughout the month of July. Your local chamber is encouraging you, your business, or your club/organization to participate in this campaign by selecting days throughout the month of July to pick up trash and beautify our city and county. Of course, due to the COVID-19 pandemic, please follow safety guidelines such as social distancing, wearing a mask, avoiding touching your face, and frequent hand sanitizing. You may pick up trash bags allotted for this specific clean-up project at your local chamber of commerce office (200 South Main Street).

Please call 334-493-3070 to notify the chamber of your desire for trash bags.

We are requesting you keep a record of the bags of trash you collect and provide that count to us by the first week of August so your bags of trash can be included in our total "count" of bags of trash collected in Opp and Covington County. Please complete and return the form below to your local chamber (P.O. Box 148 or e-mail to oppchamber@gmail.com). Also, please take photographs of your clean-up project and submit these photographs via e-mail.

Thank you for choosing to play an active role in our
CLEAN UP Opp and COVINGTON COUNTY campaign.

K. Brandin, Executive Administrator for the Opp and Covington County Area Chamber of Commerce
